1 Introduction

1.1 Purpose of this policy

Pursuant to the ASX Listing Rules, Mirvac Group is required to have a trading policy in place which complies with the requirements of those Listing Rules.

The purpose of this policy is to:

- (a) assist Directors and Employees to comply with their legal obligations when Dealing in Relevant Mirvac Securities; and
- (b) protect the reputation of the Mirvac Group, Directors and Employees.

If you do not understand any part of this policy or how it applies to you, you should contact the Group Company Secretary before Dealing in any Relevant Mirvac Securities.

1.2 Application of the policy

This policy applies to all:

- (a) Directors of the Mirvac Group;
- (b) Employees of the Mirvac Group; and
- (c) consultants and contractors of the Mirvac Group whose terms of engagement apply this policy to them.

1.3 Breach of policy and penalties for insider trading

A breach of this policy by any person is serious and may lead to disciplinary action, including dismissal in serious cases. It may also constitute for the Director or Employee and/or the Mirvac Group a breach of the law and lead to severe fines and/or imprisonment, and potential civil liability for any loss suffered as a result of a prohibited Dealing in Securities.

1.4 Definitions

Terminology used throughout this policy is defined in section 9 of this policy.

1.5 Related Policies

This policy is to be read in conjunction with the following related policies:

- Continuous Disclosure and External Communications Policy; and
- Code of Conduct.

2 Insider Trading

2.1 Prohibition on Insider Trading

If a Director or Employee has Inside Information and that Director or Employee knows or ought reasonably to know, that the information is Inside Information, it is illegal for that Director or Employee to:

- (a) Deal in the relevant Securities;
- (b) procure another person to Deal in the relevant Securities; or

- (c) communicate the information, or cause the information to be communicated to another person if he or she knows, or ought reasonably to know, that the other person would or would be likely to:
 - (i) Deal in the Securities; or
 - (ii) procure someone else to Deal in the Securities.

Insider trading is not restricted to trading in Relevant Mirvac Securities. A Director or Employee who is in possession of Inside Information in respect of any listed entity and then Deals in the Securities of that other entity with the benefit of Inside Information may be guilty of insider trading. An example may be a Director or Employee who comes into possession of Inside Information about another listed entity, arising as a result of a proposed transaction with the Mirvac Group, and that person subsequently Deals illegally in the Securities of the other listed entity.

A breach of the prohibition under this section may also constitute a breach of the Director or Employee's confidentiality obligations to the Mirvac Group.

2.2 Extension of prohibition to Associates of Directors and Employees

Where this policy places a restriction on a Director or Employee in Dealing in Relevant Mirvac Securities, the Director or Employee must not knowingly allow a Dealing in Relevant Mirvac Securities by any of its Associates.

In order to comply with this section, a Director or Employee must inform any Associate of the Director or Employee of the restrictions placed upon them under this policy. An Associate of the Director or Employee must not Deal in Relevant Mirvac Securities without approval being obtained in accordance with this policy.

3 Permitted Dealings

Subject at all times to not being in possession of Inside Information, a Director or Employee may only Deal in Relevant Mirvac Securities, or procure another person to Deal in Relevant Mirvac Securities:

- (a) during a Trading Window, and after first obtaining on a confidential basis the written consent of the Approving Officers in accordance with section 4 of this policy;
- (b) outside of a Trading Window only if Special Circumstances exist, and after first obtaining on a confidential basis the written consent of the Approving Officers in accordance with section 5 of this policy; or
- (c) if the Dealing is an Excluded Dealing.

Any Director or Employee who is in possession of Inside Information must not Deal or communicate such Inside Information at any time, regardless of whether or not it is during a Trading Window.

4 Notification, Approvals and Reporting

4.1 Notice of Intention to Deal

If required under this policy, any Director or Employee wishes to Deal in Relevant Mirvac Securities must complete and submit a Notice of Intention to Deal Form (which is available on the Mirvac Group intranet).

4.2 Approval from Approving Officers

A Director or Employee must not Deal without a written approval from the relevant Approving Officers (if such approval is required under this policy).

In considering whether to approve, the Approving Officers may take into account future matters, plans and intentions of the Mirvac Group. The Approving Officers may not approve a Dealing by a Director or Employee if the Approving Officers believe the proposed Dealing may breach this policy or any law or could result in reputation or may otherwise adversely impact the Mirvac Group. No reason will be given for the grant or refusal of approval to Deal. A Director or Employee must keep confidential whether their request to Deal is approved or not approved.

An approval must:

- (a) be in writing (including email or any other form of electronic communication) and must specify the duration of the approval;
- (b) not be retrospective in relation to past Dealing; and
- (c) not be for a period of more than 5 business days (i.e. the instruction to trade must be placed before the earlier of the end of the Trading Window or the expiry of the approval. For the avoidance of doubt, once the instruction to trade has been placed, the Dealing may settle outside of the Trading Window or approval period).

An approval lapses immediately and without further notification if a Director or Employee to whom an approval has been given acquires Inside Information.
