

This Quick Reference Guide (QRG) will show a Subcontractor, External Consultant, and Owner/Tenant how to login to iTWOcx on a desktop for the first time.

Note: Always use **Google Chrome** to access iTWOcx on the desktop.

When a Mirvac project administrator adds you to a new iTWOcx construction project, you will receive an account activation email.

1. Click on the **Activate your Account** link.

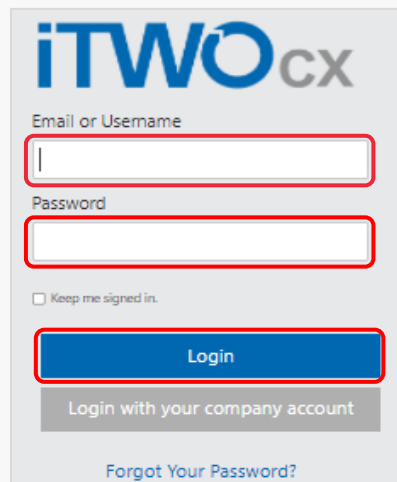

2. Enter and confirm a **Password**.
3. Click **Continue** to submit your password.

4. The **User Agreement** opens. Click **Agree** (bottom right corner).
5. You will now be logged into your project in iTWOcx.

Note: Next time you login, enter your **Email or Username** and **Password** > **Login**.
