

HELPING AROUND THE HOME

It is a tricky time at the moment and it can feel difficult to do our best all the time, and thats totally okay. It's also a great time to let each other know how much we care and a great way to show this is by helping each other day to day.

Here are a few ideas on how you can help around the house and hopefully make it fun while you're at it. But remember you ARE doing a great job and you should be very proud of yourself.

WHAT YOU WILL NEED

- *A few peices of card or paper
- *Something to write with
- *Detective costume

GAME ONE THE WASHING PILE

On separate cards draw an image of a shirt, pants, undies and socks. Then on separate cards again, write down the names of the people in your house. Now put them in two piles face down. Pick one card from each pile and put away all the matching items. eg: Benny's Socks. Continue on until all the washing is away.

GAME TWO TAKE THAT COLOR HOME

Again on some cards, write all the colors you can think of. Lie them face down and pick up one at a time. When you have chosen a color eg: red, walk around your house finding all the things you can see of the same color. Once you find something, see if its where it belongs and if its not take it back to its home.

GAME THREE MOVE ALONG PLEASE

Dressed as a detective, your job is to walk around your house finding all the things that aren't where they belong. When you do, shout "move along please" and make sure it goes back where it belongs.
