Date of Issue	Enquirer Category	Nature of Issue	Response	Status
12/09/2024	Local resident	Noise complaint – all construction activity should occur within approved standard construction hours and conclude within a reasonable time.	Due to a rain event occurring 11 September, the construction team was unable to complete the concrete finishing, which is what caused this unplanned out of hours activity. This activity was the project's largest concrete pour and as such, future work of this scope will be able to be completed within approved construction hours.	Closed
