## FENCING & LANDSCAPING REBATES

Once Practical Completion has been achieved, please complete the Fencing and Landscaping form via the project website: [iluma.mirvac.com/now-selling/iluma-promotions](http://iluma.mirvac.com/now-selling/iluma-promotions)

Return the completed form to: [fencing&landscaping.wa@mirvac.com](mailto:fencing&landscaping.wa@mirvac.com). Please also provide a photo of the front elevation of your home as per your approved house plans, showing the garage door installed and in the downward position also showing your completed driveway and crossover.

## LANDSCAPING

The landscaper will contact you to organise a meeting to discuss your options and landscaping style.

In the discussion they will advise you of what you will need to do in preparation before they commence your landscaping. If you see any designs around the estate you like, feel free to take a photo and share them with your landscaper.

Should you want to change to synthetic lawn you can also discuss this with the landscaper and they can provide you with a quote.
